

Life Architecture Assessment

Sample framework overview

01 Ancestral Lineage

Map lineage dynamics, spiritual signals and recurring generational patterns.

02 Career Architecture

Clarify growth phases, authority, confidence and long-term trajectory.

03 Relational Alignment

Examine compatibility, expectations and consequential decision windows.

The Four-Stage Experience

1

Starter diagnostic session

A comprehensive intake across spiritual, lineage, career and relational themes.

2

Written PDF blueprint

A tailored diagnostic report with findings and actionable spiritual prescriptions.

3

Implementation call

A guided walkthrough of patterns, priorities and precise spiritual protocols.

4

Six-month review

A progress audit focused on practical impact and lineage stabilisation.
